

How To Recommend a Grant to Nemours Children's Health from your Donor Advised Fund:

Use The Online Widget

Step 1: Click on the Widget

Nemours provides an online tool that connects directly to most major DAF providers (e.g., Fidelity Charitable, Schwab Charitable, Vanguard Charitable). Find the Tool Here: <https://secure.qgiv.com/control/forms/931769>

Step 2: Select your DAF provider: Use the search tool or widget on the page to find and log into your specific DAF account.

Step 3: Confirm the donation amount: Enter the amount you wish to grant to Nemours.

Step 4: Submit the grant: Follow the prompts to confirm and submit your recommendation. The funds will be transferred electronically.

Work Directly With Your Sponsoring Organization

Step 1: Access Your Donor-Advised Fund

Log in to your DAF account through your sponsoring organization (e.g., Fidelity Charitable, Schwab Charitable, Vanguard Charitable, or a community foundation).

Initiate a grant recommendation to:

Nemours Foundation

Tax ID (EIN): 59-0634433

Address in Delaware:

Nemours Children's Health
Shands House
1600 Rockland Road
Wilmington, DE 19803

Address in Florida:

Nemours Children's Health
Institutional Advancement
10140 Centurion Parkway North
Jacksonville, FL 32256

Be sure to specify that the donation is intended for **Nemours Children's Health** and include any designation (e.g., general support, a specific program, or in honor/memory of someone).

Step 3: Include Contact Information

To ensure proper acknowledgment and processing, include your name and contact information with the grant recommendation. You may also include a note if you wish to remain anonymous.

Step 4: Notify Nemours (Optional but Recommended)

To help Nemours track and acknowledge your gift, you can notify them directly:

- **Phone:** (302) 651-4828
- **Email** giving@nemours.org

Step 5: Confirm Completion

Once your sponsoring organization processes the grant, Nemours will receive the funds. You may receive a confirmation from both your DAF sponsor and Nemours.
